

THE SERVICE POOL JUST GOT EVEN BETTER!

Earn Much More with Easier Qualifications!

JUNE 2009

If you thought the Service Pools were lucrative before, you won't believe the new improvements announced at our Leadership Retreat at the InterContinental Montelucia Resort & Spa in Paradise Valley, Arizona. Effective this month, Directors and Ambassadors can earn more than ever before and the qualifications for Ambassadors have gotten much easier, so more Leaders than ever can qualify for additional bonuses!

The Service Pools are designed to reward those Leaders who are best living our mission of serving others with our life-changing products and business opportunity. It's a universal law that the more you give out, the more you get back. The more you help others achieve their goals in FreeLife, the more you will earn in the Service Pool. Hundreds of Leaders each month are already enjoying these benefits and are being rewarded more than ever before in our history.

With the enhancements just announced at our Leadership Retreat, more Leaders than ever before will earn additional bonuses and our record Service Pool checks will all be broken with new records. In order to support these lucrative enhancements, points on the 20% rebate over 100 points will be adjusted slightly from 60% to 75%. These enhancements will clearly create more excitement and growth in all Organizations that are focused most on serving others.

New Lower Qualifications!

In order to encourage all Ambassadors to qualify for the Service Pool each month, the qualifications for earning in the pool will be lowered as follows:

Ambassadors and higher: Was 30 Personal Service Points each month, now it is just 14 Personal Service Points each month, and 30 Total Service Points! That means Ambassadors can now count their Personally Enrolled Leg Star Directors (4 pts) toward qualifying for the pool!
